## ST. LOUIS RACING PLANNED

PROGRAM CONTEMPLATES RESUMPTION OF SPORT ON SEPTEMBER NEXT.

Promoters of Universal Exposition Company Inaugurate Campaign for Selling 100,000 Tickets to Provide Funds for Carrying Plans Through.

St. Louis, where there has been no racing since the summer of 1905, may witness a revival of the sport on conservative lines the coming fall, if the plans of the promoters of the recently organized Universal Exposition Company of that city materialize. The St. Louis Times of Wednesday contained this announcement:

"Horse racing on a big scale will be revived by the Universal Exposition Company, which had its tentative program approved last night by the Advisory Board of Business Men. The date of the opening of the new fair will be September 23.

"The Advisory Board instructed the Universal officials to sell 100,000 tickets. The $50,000 raised in this way will be spent in putting on the fair and guaranteeing the prizes. A whirlwind selling campaign will be inaugurated at once to sell the tickets.

"First on the approved program is the racing feature, which starts with an event of two miles and a quarter, with a purse of $4,000 for three-year-olds and upwards. No entrance or starting fee will be required in this event. The horse racing events will wind up with a twenty-mile race under army specifications. A purse of $1,000 will be the prize for this feature.

"Officials of the Universal Company have taken advantage of several opportunities to instruct persons that horse racing is not in violation of the law. Even betting on horse races is permissible as long as books and pools are not made or stakeholders drawn into the game. Printed instructions and rules will appear on the backs of tickets to the Universal grounds so spectators will not be misled.

"Horses will be the main attractions at the first of the revived St. Louis fairs. After the horse racing will come the horse shows. The shows will include the regular horse shows, with entries from all parts of the United States and Canada. Then the St. Louis Riding Club will hold exhibition shows while the commission men at the National Stock Yards are planning an immense mule show.

"Automobile and motorcycle racing will follow the horse racing and many of the famous auto racers, including Disbrow, will appear on the large speedway. Fancy stunts in automobile racing and driving by selected teams are on the program.

"The fair will be revived on the first day with a general parade of the participants in the fair. The cavalcade will move around the automobile speedway and will show the progress of transportation and means of locomotion since the first fair. Oxen will head the big parade; a team of mules hitched to an old-style coach will follow, while horses in an old-style hack will vie with the old high wheel bicycle, trailed by the latest pattern of automobiles and aeroplanes. Aviation stunts will fill in the program after the various days of racing."

### RICH RETURNS OF ROYAL ASCOT RACING.

With every race a valuable stake race, the annual meetings at Ascot, England, represent the extreme in lavish expenditure in all directions. This year the distribution among owners was of the enormous sum of $202,540 in first money alone. Money going to second and third horses amounted to a large additional sum, but no notice is taken of anything but first money in English racing statistics. It results that the big sum named really does not do full justice to the famous meeting of four days. Following is a table giving the names of the stakes in each day's racing, together with the winning horses, owners and values by races and by days:

### LONG ODDS IN POLISH MUTUELS.

In a race at Warsaw, Poland, July 7, won by an outsider named Kobsar, there was a solitary $5 ticket sold on the winner and it paid $4,000.

## CONDENSED HISTORY OF THE FRONTIER HANDICAP

Since it was first won by St. Hera in 1902 the Frontier Handicap has been the chief event of the Windsor Summer meetings and as such has been contested by many good race horses. In its first six years it was a race for three-year-olds exclusively and numbered among its winners such real cracks as Claude, King of Troy and Peter Sterling, all horses of great speed and frequent winners. In 1908 it was made a dash for three-year-olds and over and gained interest by the change. Last year it resulted in a signal triumph for that good Broomstick colt, Meridian, when, in the homestretch, he simply ran away from Plate Glass and Sam Hildreth's star, Zeus. Plate Glass carried 126 pounds in that race and the same impost was assigned to him for its renewal today, but Meridian was not entered this year and Zeus is far away in France, preparing for racing in that country and England. The record of the Frontier is as follows:

| Year. | First. | Age. | Jockeys. | Wt. | Second. | Age. | Wt. | Third. | Age. | Wt. | Val. | Time. |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| 1902 | St. Hera | | Adams | 122 | Silk Cord | | 117 | Dubious | | 117 | $1,140 | 1:58 |
| 1903 | Claude | | J. Daly | 127 | Sir Gallant | | 110 | Bank Street | | 117 | 1,385 | 2:03¼ |
| 1904 | Zarkee | | Munro | 117 | Scarfell | | 117 | War Whoop | | 127 | 1,405 | 1:54½ |
| 1905 | King of Troy | | J. Shea | 110 | Tongorder | | 122 | | | | 1,705 | 1:58½ |
| 1906 | Peter Sterling | | Kunz | 107 | Ohiyesa | | 106 | Shine On | | 114 | 1,705 | 1:54⅖ |
| 1907 | Jacomo | | Moreland | 114 | Fantastic | | 109 | Mortiboy | | 114 | 1,705 | 1:57⅕ |
| 1908 | Charlie Gilbert | (4) | C. H. Shil'g | 103 | Glimmer | (4) | 102 | Martin Doyle | (6) | 122 | 1,535 | 1:52⅘ |
| 1909 | Green Seal | (5) | J. Howard | 105 | Hanbridge | (4) | 116 | Old Honesty | (5) | 109 | 1,535 | 1:52⅕ |
| 1910 | Plaudmore | (4) | Goldstein | 108 | John Reardon | (3) | 102 | T. Hayward | (4) | 107 | 1,550 | 1:57⅘ |
| 1911 | Meridian | (3) | T. Koerner | 116 | Plate Glass | (5) | 126 | Zeus | (3) | 117 | 1,985 | 1:52⅕ |

Race was for three-year-olds until 1908.

## THIRTY LEADING MONEY-WINNING HORSES OF 1912

As was the case when the table of winning horses of 1912 was last published, Helios is the only one that has been able to win as much as $10,000 and it does not appear probable another will reach that coveted mark before fall racing comes on in Kentucky and Maryland. Of course, if such horses as Plate Glass, Star Charter or The Manager should prove lucky enough to add two or three Canadian stake races to their present earnings in the course of the next month or two the feat would be accomplished, but the stake races across the border are so conditioned that it is quite difficult for any horse to carry off even one and necessarily much more difficult to win more than one. The thirty best winners to date are made up of three two-year-olds, ten three-year-olds, ten four-year-olds, two five-year-olds and five six-year-olds, their records in racing and earnings in money being as follows:

| Horse. | Age. | Pedigree. | Owner. | Sts. | 1st. | 2d. | 3d. | Unp. | Won. |

### RAY EGAN MAKES TIMELY PURCHASE.

Buys Valhal, a Maiden, in the Forenoon, and Horse Wins at Lagoon in the Afternoon.

Salt Lake City, Utah, July 12.—Valhal won the opening dash at Lagoon today. It was for maidens at five furlongs, and the winner was bought this morning at private sale by Mr. Roy Egan, treasurer of the Lagoon Fair and Racing Association. Absurd was well thought of by his owner. He set a fast pace, but Valhal came with a rush in the stretch and won going away.

Gene Russell and Mary Emily went to the front as soon as the barrier arose in the second race, and were fortunate, as Tavora stumbled right at the start and ran in front of the second division, causing the riders of Royal River and Wicket to pull them up several times. Royal River ran a capital race, considering the interference.

While at the post in the fourth race, Gasket reared up and fell backwards. Jockey J. McBride, who had the mount, escaped serious injury, but was stunned and Taplin was substituted. Mother Katcham, from the stable of J. F. Newman, dashed to the front quickly and won unextended. Kid Nelson was outpaced in the early running, but closed stoutly. Coeur d'Alene carried the bulk of the Kentucky contingent's money and ran a smart race.

Owing to the fact that some bookmakers have been posting odds and refusing to take bets at the prices quoted on their slates, Manager H. I. Wilson today posted a notice in the ring that all bookmakers must accept wagers from the public amounting to $100, plus the amount wagered. Anyone refusing to comply will be denied the privilege of booking here.

Jockey Merritt Buxton returned today from eastern Canada. He left Coeur d'Alene towards the close of the Alan meeting to go east to fill an engagement with R. E. Watkins, but was unsuccessful on the eastern tracks.

### JOCKEY CLUB MEMBERSHIP COMPLETE.

New York, July 12.—At a meeting of the Jockey Club yesterday, two new members were elected, filling out the full membership. The new members are George P. Eustis, of Washington, D. C., and I. M. Parr, Jr., of Baltimore. Mr. Parr was named to take the place made vacant by the death of Frederick Gebhard.

In order to avoid a conflict of dates in Maryland, the Jockey Club will request the Jamestown Jockey Club to defer its opening until November 13, instead of November 11 as originally planned. This will enable the Maryland Jockey Club to readjust its fall dates so as to leave the month of October entirely clear for the Laurel meeting.

### MINNOLETTE A WINNER AT TULSA.

Tulsa, Okla., July 12.—This was ladies' day and the grandstand presented a beautiful appearance. Judging by the amount of applause accorded each winner, the public had a good day. Skillet, favorite in the first race, failed to show the same form as at Oklahoma City and at no time during the race was he a serious contender. Prudent, favorite for the fourth race, failed to run back to the form he showed yesterday and finished out of the money, with no apparent excuses. Minnolette won the sixth race, which served as the feature of the day, in a driving finish with Eva Tanguay. The latter ran out on the turns.

### CHURCHILL DOWNS STAKES ANNOUNCED.

Kentucky Endurance Stakes, Estimated Value $15,000, Heads List of Four Fall Events.

Louisville, Ky., July 12.—It is announced that August 1 has been selected for the closing of the stakes to be offered the coming fall by the four racing associations of Kentucky to which the Kentucky State Racing Commission recently allotted dates for fall meetings. Secretary Lyman H. Davis of the New Louisville Jockey Club is first in the field with an announcement of that organization's stake list. The Kentucky Endurance Stakes, four miles, the estimated value of which is set at $15,000, is, of course, the headliner. It will be decided on the opening day of the Churchill Downs meeting, October 7. The other stakes to be run during the nine days' meeting at Churchill Downs will all carry a value of $1,000 added and will be as follows:

Falls City Handicap, three-quarters of a mile, for three-year-olds and over.

Cherokee Selling Stakes, one and one-sixteenth miles, for three-year-olds and over.

Golden Rod Selling Stakes, three-quarters of a mile, for two-year-olds.

### IMPROVEMENTS FOR JAMESTOWN TRACK.

Norfolk, Va., July 12.—Manager Bob Levy of the Jamestown Jockey Club has claimed the dates from November 11 to 30 for the fall meeting here this season and will make many improvements to the plant during the summer months. He will arrive in Norfolk on or about the first of August to start operations in getting the plant into condition. Two or three hundred new stalls will be erected at the race track proper, which will eliminate the necessity of sending horses to the Exhibition Grounds, as at former meeting here. These stalls will be built in the most approved matter, directly back of the paddock.

It is the intention of Manager Levy to increase many of his purses this fall and he will run several stakes during the meeting ranging in value from $1,000 to $1,500. A year ago the Norfolk meeting was carried on in opposition to the Kentucky tracks. As Kentucky racing will close this fall on November 9, the arrangements of dates will enable the Norfolk management an opportunity of getting many Kentucky horses here to race. The steeplechase course and track will be put in good condition during the summer, so as to provide against the fall rains. The track drainage will receive special attention. Practically the same officials will officiate as at the spring meeting.

### ANSWERS TO QUERIES.

E. A. S., Buffalo, N. Y. Former jockey Sinnott is now a trainer, but do not know his present location.

S. M. F., Louisville, Ky. The bet made July 3 on the Bedwell entry a place with Rose Queen to go, was a draw because no place price was laid against the entry at the track.

J. S., Niles, Mich. The place parlay on Arasee and the Newman entry of Tuesday, July 9, won on the Newman entry in the second race and Arasee in the fourth race at Lagoon.

Enquirers, St. Louis and Detroit. The opening prices on Malitine, 10 to 1, and Perthshire, 8 to 5, at Fort Erie last Saturday have been found to be correct. From an unquestionable source comes this information: "Bookmakers generally report that opening price Malitine was 10 to 1 and 8 to 5 was a solid price on Perthshire at opening."

## WINDSOR OPENING TODAY

RACING OF EXCEPTIONAL BRILLIANCY PROMISED AT TRACK NEAR DETROIT.

Patrons of Sport to Find Plant Remodeled and in Splendid Condition—Seven-Race Card Provided, with Frontier Handicap Stellar Feature.

Detroit, Mich., July 12.—With the people of Detroit hungry for racing, the first meeting of the Windsor Fair Grounds and Driving Park Association for the season of 1912 promises to be highly successful. Interest in the sport in this locality has been constantly growing during the past few years and the local club has kept up with the times by remodeling its plant. The immense grandstand that was formerly at the Grosse Point course has been moved across the river and re-erected at Windsor. This gives the Windsor track the largest and most up-to-date grandstand and betting ring in Canada. Everything has been fully completed and the plant is in readiness for tomorrow's opening, which promises to be of exceptional brilliancy.

The club has furnished a splendid program of seven races with the Frontier Stakes, a handicap at one mile and an eighth, as the feature. Additional attractions are a steeplechase over the two-mile course and an allowance race at six furlongs, which will bring together some of the best sprinters on the ground.

The weather man has promised bright skies for tomorrow and with the track in splendid condition a record-breaking crowd probably will be in attendance. Mortimer Mahoney, who is in charge of the betting ring here, arrived from New York on Tuesday and is located at Mount Clemens. Several of the New York layers who are here ready for business are stopping at the same place, including Sol Lichtenstein, Frank Howard and E. J. Callahan. Indications are that close to forty layers will be in line.

All of the officials are on hand, Judge Charles F. Price having arrived from Louisville yesterday, while starter A. B. Dade has been here for several days.

Among the newcomers here are jockey Buchanan and Clem Clevering. This is the first time in a dozen years that Clevering has raced on the Canadian circuit. The last time he was at Windsor he raced the good horse Ulysses. Buchanan took out a license this morning and will do the riding for the Clevering stable.

Hugh Penny, who arrived from Fort Erie yesterday with W. P. Austin's horses, reports the sale of King Avondale to E. H. Ames, the former rider, who purchased Eagle Bird not long ago. These two thoroughbreds are destined for racing at Bombay, India. They will be shipped from Fort Erie to Boston next week and from there to India via Liverpool, Eng.

W. M. Northey, secretary of the Montreal Jockey Club, was a visitor at Windsor this afternoon. He will remain over for the opening tomorrow.

Lovetie, which came over from Fort Erie in charge of Tom Healey, will be an important factor in the Frontier Handicap tomorrow if work counts for anything. Before leaving Fort Erie, he worked a mile and an eighth in 1:54, easily. This morning he was brought out on the Windsor track, but the best his boy could get him to do was five furlongs in 1:11. The blinkers were then put on him and he worked half a mile around the harrows in :47⅗. Schuttinger will have the mount on him tomorrow.

Before leaving Fort Erie, Mike Daly shipped Chocorua and Tom Kirby to A. Henry Higginson's farm near Boston, Mass., where they will be schooled through the field. Mr. Higginson purchased Tom Kirby from G. H. Whitney on Saturday last.

Albert Simons has released jockey Guy Burns. Simons stood by Burns for a long time and gave the lad every chance. Ambrose and Butwell will do the riding for the Whitney stable in future.

The Canadian Racing Associations will hold a meeting in the clubhouse at the Windsor track tomorrow.

Captain W. F. Presgrave purchased from Harry Payne Whitney the promising two-year-old, Oliver Lodge. The colt was shipped to Montreal.

The horses of the Quincy Stable and the horses that Jack Goldsborough was handling for Thomas Monahan, were shipped from Fort Erie to the Gravesend track, where they will rest for the fall meetings in Maryland. Textile, which went wrong at Hamilton, is among the Monahan lot. This horse has been improving right along and it looks as if he will stand training again.

The Sanfords of Amsterdam, N. Y., will race a small stable this fall. Two fillies were reserved last year and two this year for breeding purposes. A three-year-old colt, Cooper, by Caughnawaga—Retaliation, was also reserved for breeding purposes. These five are being trained by H. Albright and probably will race at the new Havre de Grace track in September. The names and breeding of the horses that may carry the Sanford colors are:

Autilli, b. f, 2, by Isidor—Aranza II.
Bally Cliff, b. f, 3, by Clifford—Ballyroe.
Cooper, ch. c, 3, by Caughnawaga—Retaliation.
Isarose, b. f, 3, by Isidor—Rock Rose.
Lackcliff, b. f, 3, by Clifford—La Tosca II.

Among the work-outs shown this morning were:

Any Port—Three-quarters in 1:19⅗.
Ballyshe—Five-eighths in 1:03.
Buckhorn—Mile in 1:45.
Confido—Five-eighths in 1:02⅘.
Duquesne—Three-quarters in 1:19.
Flabbergast—Three-quarters in 1:19.
Fountain Square—Three-quarters in 1:16⅖.
Hearts of Oak—Three-eighths in 36⅗.
Horron—Three-eighths in 36.
Kate Kittleberry—Five-eighths in 1:02⅘.
Quartermaster—Three-quarters in 1:19⅕.
Uncle Obie—Three-quarters in 1:19.
Upright—Half mile in 50⅕.

Ocean Bound worked one mile and an eighth on Wednesday last as follows: 1:13⅗, 1:26⅗, 1:40⅖, 1:53⅗. Cliff Edge worked the same morning in 1:14, 1:27½, 1:40⅖, 1:53⅗. Bunch of Keys and Burnt Candle, five-eighths in 1:01⅗; Smoke House, five-eighths in 1:01⅗, and Ondramon, three-quarters in 1:16.

### ANENT THOSE LONG ODDS AGAINST PLENTY.

The following communication from a St. Louis reader of Daily Racing Form is interesting:

"An item in your issue of July 5, regarding long odds against Plenty, a horse that won at East St. Louis in the spring of 1893, shows the usual historical change a score of years may make. The price was 250 to 1, laid by Elie Perles, who was making (probably the only one there) a $1,000 extension book to small play. The odds at that time were considered huge. Two persons purchased a dollar ticket, leaving but $500 to $2 to Arthur White—no more could be had. Barney Schreiber was not there and twenty years' intimate acquaintance with him as a successful and wary bookmaker gives assurance that he never laid $3,000 to $8 on a winning ticket in his career. And a reference to him probable will prove the tale mythical.

"Keith White."

MADELINE MUSGRAVE took the lead on the stretch turn and was hard ridden when an eighth out, but drew away fast and won in a canter. DESCENDANT showed much speed and, in a game finish, outstayed BURNING BUSH for second place. The latter opened a long lead early, but came wide on the stretch turn and tired in the final drive. MESSRS. PARKS, DOANE & PARKS, to prove to the public the value of the "NEW THOUGHT," will forward same to responsible persons upon receipt of TEN DOLLARS, with the understanding that they are to remit the balance of the purchase price, fifteen dollars, after thirty days' trial, which will prove the merits of the most conservative racing system ever offered the public.

The "NEW THOUGHT" averages six investments a week and consumes four minutes of your time daily. All you require are the entries for the day's races to determine your investment.

Remittances can be made either by telegraph, registered mail, money order or currency.

I am on the track at Windsor, where some of the best two-year-olds in the country are being worked.

**DO YOU WANT TO KNOW when they will win at good odds?**

Write me at once. Send $5.00 money order for the whole meeting. I will give you instructions by return mail.
